

# Curriculum Vitae

## Personal information:

Name: Ioannis

Surname: Morres

Gender: Male

Date of birth: 14/05/1971

Nationality: Hellenic (Greek)

Valid Driving License

## Contact details:

Ioannis D. Morres PhD

Postdoctoral Research & Teaching Fellow  
Exercise Clinician in Mental Health Services

University of Thessaly

School of Physical Education, Sport &  
Nutrition Science

Exercise Psychology & Quality of Life Lab  
Trikala, Karyes, TK 42100, Greece

tel: +30 24310 47061

cell phone: +30 6942 87 1399

fax: +30 24310 47042

email: [iomorres@pe.uth.gr](mailto:iomorres@pe.uth.gr)

## Education and Training

- Outstanding athlete registration at the Aristotle University of Thessaloniki, School of Physical Education and Sport Science, 1989, Greece.
- Qualified Lifeguard, Aristotle University of Thessaloniki, 1992, Greece.
- Qualified Volleyball Referee, Hellenic Volleyball Federation, 1992, Greece.
- BSc Physical Education & Sport Science, Aristotle University of Thessaloniki, 1995, Greece.
- Clinical practice at the Hippokration Hospital, Department of Child & Adolescent Psychiatry, Aristotle University of Thessaloniki, 1994, Greece.
- Clinical practice in mental health services, Arhus County, 1997, Denmark.
- European MSc in Adapted Physical Activity, Katholieke Universiteit Leuven, 2000, Belgium.
- Training in Adapted Sport Coaching, Nottinghamshire County, Nottingham, 2000, UK.
- Paralympic Medical Classifier, World Federation Volleyball Disabled, 2001, The Netherlands.
- Doctor of Philosophy, 2017, "Physical activity in outpatients with major depressive disorder: A self-determination approach", University of Thessaly, School of PE & Sport Science, Greece.
- Personal Development of 400 hours (psychoanalytic approach).

## Professional Experience

- Experience for 17 years (12.000 hours) as an exercise therapist in National Health Services in Belgium, Denmark, France, Greece, United Kingdom.
- Eight years of part-time research as a research associate, Katholieke Universiteit Leuven (2000-2004, Belgium), University of Nottingham (2007-2009 and 2011-2014, UK).
- Advisor of Physical Exercise (2007-2009 & 2012 -2014), Nottinghamshire NHS Trust.
- Scientific Consultant, World Federation Volleyball for the Disabled from 2007 to 2009.
- Research and Teaching Assistant, School of Physical Education & Sport Science, University of Thessaly, Greece, from March 2013 to June 2017 contributing to:
  1. Master of Science "Ergospirometry & Rehabilitation".
  2. European Master of Science "Sport and Exercise Psychology (EMSEP)-Erasmus Mundus Programme" based at the University of Thessaly.
- Postdoctoral Fellow, School of Physical Education & Sport Science, University of Thessaly, from September 2017 to present contributing to:
  1. Master of Science "Ergospirometry & Rehabilitation".
  2. European Master of Science "Sport and Exercise Psychology (EMSEP)-Erasmus Mundus Programme" based at the University of Thessaly.
  3. Laboratory of Exercise Psychology and Quality of Life.
  4. Erasmus Mundus Undergraduate Programme.
  5. Undergraduate Teaching Modules (SPSS, exercise and clinical populations).

## Peer Reviewer

- Certificate of Excellence in Reviewing - 2017  
International Journal of Psychiatry in Clinical Practice (IF: 1.17), Taylor & Francis.  
Top Reviewers <https://www.tandfonline.com/doi/full/10.1080/13651501.2018.1436246>
- Certificate of Outstanding Reviewer - 2016  
Psychiatry Research (IF: 2.22), Elsevier.

## Scientific Recognition

- National Institute for Health Research, United Kingdom - 2019  
NIHR "Signal" - Aerobic Exercise for the Treatment of Depression  
<https://discover.dc.nihr.ac.uk/content/signal-000711/aerobic-exercise-is-an-effective-treatment-for-depression>

## Academic Funding

1. £98,000.00. Burdett Trust N. London, UK (2007). Grant reference no, 293/350 (completed).  
PI: Callaghan P., CI: Khalil E., Owen, S., **Morres I.D.** Pragmatic randomized controlled trial of preferred intensity exercise in depressed women. The University of Nottingham, UK.
2. £241,000.00. National Institute of Research for Patient Benefit Programme, London, UK (2009). Grant reference no, PB-PG-1208-18097 (completed).  
PI: Callaghan, P., CI: Khalil, E., **Morres I.D.**, Armstrong, M., Schneider, J., Such, T. "H.E.A.L.T.H. Help Enabling Active Lifestyles Toward Health in young people with depression", The University of Nottingham, UK.

## Co-Supervision of PhD Students

- One student

## Co-Supervision of MSc Students

- Four students

## Publications

### Peer-reviewed Journals

1. **Morres, I.D.**, Bayre, A.H., Motakis, E., Carter, T., Callaghan, P. (in preparation). Preferred intensity exercise and quality of life in adult depressed women. Secondary analysis of intra-individual variability.
2. **Morres, I.D.**, Bayre, A.H., Motakis, E., Carter, T., Callaghan, P. (submitted for publication). A pragmatic randomized controlled trial of preferred intensity exercise in depressed women. Secondary analysis of intra-individual variability of depression.
3. **Morres, I.D.**, Hatzigeorgiadis, A., Krommidas, C., Comoutos, N., Sideri, E., Ploumpidis, D., Economou, M., Papaioannou, A., Theodorakis, Y. (submitted for publication). Objectively measured habitual physical activity in major depressed outpatients. Clinical perspectives.
4. **Morres, I.D.**, Hatzigeorgiadis, A., Stathi, A., Comoutos, N., Arpin-Cribbie, C., Krommidas, C., Theodorakis, Y. (2019). Aerobic exercise for adult patients with major depressive disorder in mental health services. A systematic review and meta-analysis. *Depression and Anxiety*, 36(1), 39-53 (**IF: 5.04**).
5. Angeli, M., Hatzigeorgiadis, A., Comoutos, N., Krommidas, C., **Morres, I.D.**, Theodorakis, Y. (2018). The effects of self-regulation strategies following moderate intensity exercise on ad libitum smoking. *Addictive Behaviors*, 87, 109-114 (**IF: 2.95**).
