

Dear friends, graduates of the Master's program in sport & exercise Psychology (UTH),

We very much hope that all of you are doing well and you enjoy your life and careers.

We are pleased to announce that we will create an **alumni society** for the graduates of the Master program in Sport & Exercise Psychology of the University of Thessaly, including both international and Greek former Master students and now colleagues.

The first meeting in which you can participate physically or online will take place on Friday 5 December 2014, at 18.00 in TEFAA/Trikala

i.e., the evening just before the start of the National Congress of Sport Psychology with International Participation that will take place in Trikala 6-7 December 2014.

Hence, those of you who will travel to Trikala for the Congress can come to Trikala on Friday night to meet us and spend this night just with us and with the members of the Managing Council of FEPSAC who will be our official guests. Those of you who cannot come physically you can still participate in the meeting online. We will have an electronic meeting system/web conferencing for this purpose. We will send you the address of the online system in due time.

Please send an email to Mrs. Filippou Konstantina (Nantia) konfilip@pe.uth.gr and Miss Georgia Theodoropoulou

konfilip@pe.uth.gr

konfilip@pe.uth.gr

theodoropoulou751@gmail.com

informing them your intentions with regard to your participation, whether it will be physical or online. Georgia is one of the first graduates of our Master's program in exercise psychology and is helping us to create the alumni society. Nantia is working now in the sport psychology lab of our university.

On behalf of the professors, students and staff at the Master's program of Sport & Exercise Psychology at the University of Thessaly,

Athanasios Papaioannou

sakispap@pe.uth.gr
