

CV BAGIATIS KONSTANTINOS

Family Name: BAGIATIS

First name: KONSTANTINOS

Birth Date : Dec. 24, 1945

Citizenship: GREEK

Studies : Bachelor in Mathematics, Dpt. of Mathematics, Aristotle Univ. Thessaloniki, 1968. Ph.D : Mathematical Statistics, Dpt. of Mathematics, Aristotle Univ. Thessaloniki, 1979. Post Doc. Studies : Berkeley, Calif. 1977, Texas A&M, 1977, Purdue IN 1989.

Academic Activities : Member of the Greek Mathematical Society, Member of the Greek Statistical Institute, Member of The Bernoulli Society, Member of the Greek Operational Research Society, Member of the Greek Society of Data Analysis.

Professional Experience:

1970-1975 teacher of Mathematics in High Schools .

1975- 1979 Assistant in the chair of Probability and Statistics, Dpt of Math. Aristotle Univ. Thessaloniki (AUTH).

1979- 1982 Instructor in the chair of Probability and Statistics, Dpt of Math AUTH

1982 -1988 Lecturer in the chair of Probability and Statistics, Dpt of Math AUTH.

1988 – 1995 Assistant Professor in Applied Statistics, Dpt of Phys. Educ., AUTH.

1995 – 2011 Professor in Applied Statistics, Dpt of Phys. Educ. Univ. of Thessaly (UTH).

I have offered consulting services to the Greek Ministry of Sports and I have participated as member of organizing Committees for several international conferences.

ADMINISTRATION

1. From October 1998 to August 2000, Head of the Dpt of Phys. Educ., UTH
2. From March 1999 to August 2002, Elected Vice Rector of Acad. Affairs and Administration ,UTH
3. From September 2002, to August 2005 Elected Rector oh the UTH.
4. From September 2005 to August 2008 Elected Rector oh the UTH.
5. From September 2008 to August 2010 Head of the Dpt of Phys. Educ., UTH.
6. Head of the Erasmus – Socrates Bureau ,UTH
7. Member of Administration Council of Democritus University of Thrace from 2013 to 2016.

SCIENTIFIC ACTIVITIES

As author or Co – Author I have written 10 books relevant to Probabilities, Statistics and the use of Statistical Packages (such as SPSS) in Data Analysis.

As Academic Teacher I have taught courses of Mathematics, Probabilities and Statistics or Applied Statistics in several Departments oh the AUTH and UTH as well.

I have participated as supervisor or as a consultant in several PhD's in AUTH and UTH as well.

I have performed successfully several Scientific and/or Vocational Programs (Projects) funded either by Greek Ministries or by EE.

I also have to mention that I am the Author or Co –Author of approximately 70 scientific papers, and also that I have presented orally or by poster about 50 scientific announcements in several scientific conferences.
